BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

Section 1. Minnesota Statutes 2008, section 150A.01, is amended by adding a subdivision to read:

Subd. 6b. **Dental therapist.** "Dental therapist" means a person licensed under this chapter to perform the services authorized under section 150A.105 or any other services authorized under this chapter.

Sec. 2. Minnesota Statutes 2008, section 150A.05, is amended by adding a subdivision to read:

Subd. 1b. **Practice of dental therapy.** A person shall be deemed to be practicing dental therapy within the meaning of sections 150A.01 to 150A.12 who:

(1) works under the supervision of a Minnesota-licensed dentist as specified under section 150A.105;

(2) practices in settings that serve low-income and underserved patients or are located in dental health professional shortage areas; and

(3) provides oral health care services, including preventive, evaluative, and educational services as authorized under section 150A.105 and within the context of a collaborative management agreement.

Sec. 3. Minnesota Statutes 2008, section 150A.05, subdivision 2, is amended to read:

Subd. 2. Exemptions and exceptions of certain practices and operations.

Sections 150A.01 to 150A.12 do not apply to:

(1) the practice of dentistry or dental hygiene in any branch of the armed services of the United States, the United States Public Health Service, or the United States Veterans Administration;

(2) the practice of dentistry, dental hygiene, or dental assisting by undergraduate dental students, dental therapy students, dental hygiene students, and dental assisting students of the University of Minnesota, schools of dental hygiene, schools with a dental therapy education program, or schools of dental assisting approved by the board, when acting under the direction and supervision of a licensed dentist, a licensed dental therapist, or a licensed dental hygienist acting as an instructor;

(3) the practice of dentistry by licensed dentists of other states or countries while appearing as clinicians under the auspices of a duly approved dental school or college, or a reputable dental society, or a reputable dental study club composed of dentists;

(4) the actions of persons while they are taking examinations for licensure or registration administered or approved by the board pursuant to sections 150A.03, subdivision 1, and 150A.06, subdivisions 1, 2, and 2a;

(5) the practice of dentistry by dentists and dental hygienists licensed by other states during their functioning as examiners responsible for conducting licensure or registration examinations administered by regional and national testing agencies with whom the board is authorized to affiliate and participate under section 150A.03, subdivision 1, and the practice of dentistry by the regional and national testing agencies during their administering examinations pursuant to section 150A.03, subdivision 1;

(6) the use of X-rays or other diagnostic imaging modalities for making radiographs or other similar records in a hospital under the supervision of a physician or dentist or by a person who is credentialed to use diagnostic imaging modalities or X-ray machines for dental treatment, roentgenograms, or dental diagnostic purposes by a credentialing agency other than the Board of Dentistry; or

(7) the service, other than service performed directly upon the person of a patient, of constructing, altering, repairing, or duplicating any denture, partial denture, crown, bridge, splint, orthodontic, prosthetic, or other dental appliance, when performed according

3.1 to a written work order from a licensed dentist in accordance with section 150A.10,
3.2 subdivision 3.

3.3 Sec. 4. Minnesota Statutes 2008, section 150A.06, is amended by adding a subdivision
3.4 to read:

3.5 Subd. 1d. **Dental therapists.** A person of good moral character who has graduated
3.6 from a dental therapy education program in a dental school or dental college accredited by
3.7 the Commission on Dental Accreditation may apply for licensure.

3.8 The applicant must submit an application and fee as prescribed by the board and a
3.9 diploma or certificate from a dental therapy education program. Prior to being licensed,
3.10 the applicant must pass a comprehensive, competency-based clinical examination that is
3.11 approved by the board and administered independently of an institution providing dental
3.12 therapy education. The applicant must also pass an examination testing the applicant's
3.13 knowledge of the laws of Minnesota relating to the practice of dentistry and of the rules of
3.14 the board. An applicant is ineligible to retake the clinical examination required by the
3.15 board after failing it twice until further education and training are obtained as specified by
3.16 board rule. A separate, nonrefundable fee may be charged for each time a person applies.
3.17 An applicant who passes the examination in compliance with subdivision 2b, abides by
3.18 professional ethical conduct requirements, and meets all the other requirements of the
3.19 board shall be licensed as a dental therapist.

3.20 Sec. 5. Minnesota Statutes 2008, section 150A.06, subdivision 2d, is amended to read:

3.21 Subd. 2d. **Continuing education and professional development waiver.** (a) The
3.22 board shall grant a waiver to the continuing education requirements under this chapter for
3.23 a licensed dentist, licensed dental therapist, licensed dental hygienist, or registered dental
3.24 assistant who documents to the satisfaction of the board that the dentist, dental therapist,
3.25 dental hygienist, or registered dental assistant has retired from active practice in the state
3.26 and limits the provision of dental care services to those offered without compensation
3.27 in a public health, community, or tribal clinic or a nonprofit organization that provides
3.28 services to the indigent or to recipients of medical assistance, general assistance medical
3.29 care, or MinnesotaCare programs.

3.30 (b) The board may require written documentation from the volunteer and retired
3.31 dentist, dental therapist, dental hygienist, or registered dental assistant prior to granting
3.32 this waiver.

3.33 (c) The board shall require the volunteer and retired dentist, dental therapist, dental
3.34 hygienist, or registered dental assistant to meet the following requirements:

(1) a licensee or registrant seeking a waiver under this subdivision must complete and document at least five hours of approved courses in infection control, medical emergencies, and medical management for the continuing education cycle; and

(2) provide documentation of certification in advanced or basic cardiac life support recognized by the American Heart Association, the American Red Cross, or an equivalent entity.

Sec. 6. Minnesota Statutes 2008, section 150A.06, subdivision 5, is amended to read:

Subd. 5. **Fraud in securing licenses or registrations.** Every person implicated in employing fraud or deception in applying for or securing a license or registration to practice dentistry, dental hygiene, ~~or dental assisting, or as a dental therapist,~~ or in annually renewing a license or registration under sections 150A.01 to 150A.12 is guilty of a gross misdemeanor.

Sec. 7. Minnesota Statutes 2008, section 150A.06, subdivision 6, is amended to read:

Subd. 6. **Display of name and certificates.** The initial license and subsequent renewal, or current registration certificate, of every dentist, dental therapist, dental hygienist, or dental assistant shall be conspicuously displayed in every office in which that person practices, in plain sight of patients. Near or on the entrance door to every office where dentistry is practiced, the name of each dentist practicing there, as inscribed on the current license certificate, shall be displayed in plain sight.

Sec. 8. Minnesota Statutes 2008, section 150A.08, subdivision 1, is amended to read:

Subdivision 1. **Grounds.** The board may refuse or by order suspend or revoke, limit or modify by imposing conditions it deems necessary, ~~any the license to practice dentistry or dental hygiene of a dentist, dental therapist, or dental hygienist~~ or the registration of any dental assistant upon any of the following grounds:

(1) fraud or deception in connection with the practice of dentistry or the securing of a license or registration certificate;

(2) conviction, including a finding or verdict of guilt, an admission of guilt, or a no contest plea, in any court of a felony or gross misdemeanor reasonably related to the practice of dentistry as evidenced by a certified copy of the conviction;

(3) conviction, including a finding or verdict of guilt, an admission of guilt, or a no contest plea, in any court of an offense involving moral turpitude as evidenced by a certified copy of the conviction;

(4) habitual overindulgence in the use of intoxicating liquors;

(5) improper or unauthorized prescription, dispensing, administering, or personal or other use of any legend drug as defined in chapter 151, of any chemical as defined in chapter 151, or of any controlled substance as defined in chapter 152;

(6) conduct unbecoming a person licensed to practice dentistry ~~or~~, dental therapy, or dental hygiene or registered as a dental assistant, or conduct contrary to the best interest of the public, as such conduct is defined by the rules of the board;

(7) gross immorality;

(8) any physical, mental, emotional, or other disability which adversely affects a dentist's, dental therapist's, dental hygienist's, or registered dental assistant's ability to perform the service for which the person is licensed or registered;

(9) revocation or suspension of a license, registration, or equivalent authority to practice, or other disciplinary action or denial of a license or registration application taken by a licensing, registering, or credentialing authority of another state, territory, or country as evidenced by a certified copy of the licensing authority's order, if the disciplinary action or application denial was based on facts that would provide a basis for disciplinary action under this chapter and if the action was taken only after affording the credentialed person or applicant notice and opportunity to refute the allegations or pursuant to stipulation or other agreement;

(10) failure to maintain adequate safety and sanitary conditions for a dental office in accordance with the standards established by the rules of the board;

(11) employing, assisting, or enabling in any manner an unlicensed person to practice dentistry;

(12) failure or refusal to attend, testify, and produce records as directed by the board under subdivision 7;

(13) violation of, or failure to comply with, any other provisions of sections 150A.01 to 150A.12, the rules of the Board of Dentistry, or any disciplinary order issued by the board, sections 144.291 to 144.298 or 595.02, subdivision 1, paragraph (d), or for any other just cause related to the practice of dentistry. Suspension, revocation, modification or limitation of any license shall not be based upon any judgment as to therapeutic or monetary value of any individual drug prescribed or any individual treatment rendered, but only upon a repeated pattern of conduct;

(14) knowingly providing false or misleading information that is directly related to the care of that patient unless done for an accepted therapeutic purpose such as the administration of a placebo; or

(15) aiding suicide or aiding attempted suicide in violation of section 609.215 as established by any of the following:

(i) a copy of the record of criminal conviction or plea of guilty for a felony in violation of section 609.215, subdivision 1 or 2;

(ii) a copy of the record of a judgment of contempt of court for violating an injunction issued under section 609.215, subdivision 4;

(iii) a copy of the record of a judgment assessing damages under section 609.215, subdivision 5; or

(iv) a finding by the board that the person violated section 609.215, subdivision 1 or 2. The board shall investigate any complaint of a violation of section 609.215, subdivision 1 or 2.

Sec. 9. Minnesota Statutes 2008, section 150A.08, subdivision 3a, is amended to read:

Subd. 3a. **Costs; additional penalties.** (a) The board may impose a civil penalty not exceeding \$10,000 for each separate violation, the amount of the civil penalty to be fixed so as to deprive a licensee or registrant of any economic advantage gained by reason of the violation, to discourage similar violations by the licensee or registrant or any other licensee or registrant, or to reimburse the board for the cost of the investigation and proceeding, including, but not limited to, fees paid for services provided by the Office of Administrative Hearings, legal and investigative services provided by the Office of the Attorney General, court reporters, witnesses, reproduction of records, board members' per diem compensation, board staff time, and travel costs and expenses incurred by board staff and board members.

(b) In addition to costs and penalties imposed under paragraph (a), the board may also:

(1) order the dentist, dental therapist, dental hygienist, or dental assistant to provide unremunerated service;

(2) censure or reprimand the dentist, dental therapist, dental hygienist, or dental assistant; or

(3) any other action as allowed by law and justified by the facts of the case.

Sec. 10. Minnesota Statutes 2008, section 150A.08, subdivision 5, is amended to read:

Subd. 5. **Medical examinations.** If the board has probable cause to believe that a dentist, dental therapist, dental hygienist, registered dental assistant, or applicant engages in acts described in subdivision 1, clause (4) or (5), or has a condition described in subdivision 1, clause (8), it shall direct the dentist, dental therapist, dental hygienist, assistant, or applicant to submit to a mental or physical examination or a chemical dependency assessment. For the purpose of this subdivision, every dentist, dental

therapist, hygienist, or assistant licensed or registered under this chapter or person submitting an application for a license or registration is deemed to have given consent to submit to a mental or physical examination when directed in writing by the board and to have waived all objections in any proceeding under this section to the admissibility of the examining physician's testimony or examination reports on the ground that they constitute a privileged communication. Failure to submit to an examination without just cause may result in an application being denied or a default and final order being entered without the taking of testimony or presentation of evidence, other than evidence which may be submitted by affidavit, that the licensee, registrant, or applicant did not submit to the examination. A dentist, dental therapist, dental hygienist, registered dental assistant, or applicant affected under this section shall at reasonable intervals be afforded an opportunity to demonstrate ability to start or resume the competent practice of dentistry or perform the duties of a dental therapist, dental hygienist, or registered dental assistant with reasonable skill and safety to patients. In any proceeding under this subdivision, neither the record of proceedings nor the orders entered by the board is admissible, is subject to subpoena, or may be used against the dentist, dental therapist, dental hygienist, registered dental assistant, or applicant in any proceeding not commenced by the board. Information obtained under this subdivision shall be classified as private pursuant to the Minnesota Government Data Practices Act.

Sec. 11. Minnesota Statutes 2008, section 150A.09, subdivision 1, is amended to read:

Subdivision 1. **Registration information and procedure.** On or before the license or registration certificate expiration date every licensed dentist, dental therapist, dental hygienist, and registered dental assistant shall transmit to the executive secretary of the board, pertinent information required by the board, together with the fee established by the board. At least 30 days before a license or registration certificate expiration date, the board shall send a written notice stating the amount and due date of the fee and the information to be provided to every licensed dentist, dental therapist, dental hygienist, and registered dental assistant.

Sec. 12. Minnesota Statutes 2008, section 150A.09, subdivision 3, is amended to read:

Subd. 3. **Current address, change of address.** Every dentist, dental therapist, dental hygienist, and registered dental assistant shall maintain with the board a correct and current mailing address. For dentists engaged in the practice of dentistry, the address shall be that of the location of the primary dental practice. Within 30 days after changing addresses, every dentist, dental therapist, dental hygienist, and registered dental assistant

8.1 shall provide the board written notice of the new address either personally or by first
8.2 class mail.

8.3 Sec. 13. Minnesota Statutes 2008, section 150A.091, subdivision 2, is amended to read:

8.4 Subd. 2. **Application fees.** Each applicant for licensure or registration shall submit
8.5 with a license or registration application a nonrefundable fee in the following amounts in
8.6 order to administratively process an application:

- 8.7 (1) dentist, \$140;
- 8.8 (2) limited faculty dentist, \$140;
- 8.9 (3) resident dentist, \$55;
- 8.10 (4) dental therapist, \$100;
- 8.11 (5) dental hygienist, \$55;
- 8.12 ~~(5)~~ (6) registered dental assistant, \$35; and
- 8.13 ~~(6)~~ (7) dental assistant with a limited registration, \$15.

8.14 Sec. 14. Minnesota Statutes 2008, section 150A.091, subdivision 3, is amended to read:

8.15 Subd. 3. **Initial license or registration fees.** Along with the application fee, each of
8.16 the following licensees or registrants shall submit a separate prorated initial license or
8.17 registration fee. The prorated initial fee shall be established by the board based on the
8.18 number of months of the licensee's or registrant's initial term as described in Minnesota
8.19 Rules, part 3100.1700, subpart 1a, not to exceed the following monthly fee amounts:

- 8.20 (1) dentist, \$14 times the number of months of the initial term;
- 8.21 (2) dental therapist, \$10 times the number of months of initial term;
- 8.22 (3) dental hygienist, \$5 times the number of months of the initial term;
- 8.23 ~~(3)~~ (4) registered dental assistant, \$3 times the number of months of initial term; and
- 8.24 ~~(4)~~ (5) dental assistant with a limited registration, \$1 times the number of months
8.25 of the initial term.

8.26 Sec. 15. Minnesota Statutes 2008, section 150A.091, subdivision 5, is amended to read:

8.27 Subd. 5. **Biennial license or registration fees.** Each of the following licensees or
8.28 registrants shall submit with a biennial license or registration renewal application a fee as
8.29 established by the board, not to exceed the following amounts:

- 8.30 (1) dentist, \$336;
- 8.31 (2) dental therapist, \$180;
- 8.32 (3) dental hygienist, \$118;
- 8.33 ~~(3)~~ (4) registered dental assistant, \$80; and

9.1 ~~(4)~~ (5) dental assistant with a limited registration, \$24.

9.2 Sec. 16. Minnesota Statutes 2008, section 150A.091, subdivision 8, is amended to read:

9.3 Subd. 8. **Duplicate license or registration fee.** Each licensee or registrant shall
9.4 submit, with a request for issuance of a duplicate of the original license or registration, or
9.5 of an annual or biennial renewal of it, a fee in the following amounts:

9.6 (1) original dentist, dental therapist, or dental hygiene license, \$35; and

9.7 (2) initial and renewal registration certificates and license renewal certificates, \$10.

9.8 Sec. 17. Minnesota Statutes 2008, section 150A.091, subdivision 10, is amended to
9.9 read:

9.10 Subd. 10. **Reinstatement fee.** No dentist, dental therapist, dental hygienist, or
9.11 registered dental assistant whose license or registration has been suspended or revoked
9.12 may have the license or registration reinstated or a new license or registration issued until
9.13 a fee has been submitted to the board in the following amounts:

9.14 (1) dentist, \$140;

9.15 (2) dental therapist, \$85;

9.16 (3) dental hygienist, \$55; and

9.17 ~~(3)~~ (4) registered dental assistant, \$35.

9.18 Sec. 18. Minnesota Statutes 2008, section 150A.10, subdivision 1, is amended to read:

9.19 Subdivision 1. **Dental hygienists.** Any licensed dentist, licensed dental therapist,
9.20 public institution, or school authority may obtain services from a licensed dental hygienist.
9.21 ~~Such~~ The licensed dental hygienist may provide those services defined in section 150A.05,
9.22 subdivision 1a. ~~Such~~ The services provided shall not include the establishment of a final
9.23 diagnosis or treatment plan for a dental patient. ~~Such~~ All services shall be provided
9.24 under supervision of a licensed dentist. Any licensed dentist who shall permit any dental
9.25 service by a dental hygienist other than those authorized by the Board of Dentistry, shall
9.26 be deemed to be violating the provisions of sections 150A.01 to 150A.12, and any ~~such~~
9.27 unauthorized dental service by a dental hygienist shall constitute a violation of sections
9.28 150A.01 to 150A.12.

9.29 Sec. 19. Minnesota Statutes 2008, section 150A.10, subdivision 2, is amended to read:

9.30 Subd. 2. **Dental assistants.** Every licensed dentist or dental therapist who uses the
9.31 services of any unlicensed person for the purpose of assistance in the practice of dentistry
9.32 or dental therapy shall be responsible for the acts of such unlicensed person while engaged

10.1 in such assistance. ~~Such~~ The dentist or dental therapist shall permit ~~such~~ the unlicensed
10.2 assistant to perform only those acts which are authorized to be delegated to unlicensed
10.3 assistants by the Board of Dentistry. ~~Such~~ The acts shall be performed under supervision
10.4 of a licensed dentist or licensed dental therapist. A licensed dental therapist shall not
10.5 supervise more than two registered dental assistants or unregistered dental assistants
10.6 at any one practice setting. The board may permit differing levels of dental assistance
10.7 based upon recognized educational standards, approved by the board, for the training of
10.8 dental assistants. The board may also define by rule the scope of practice of registered
10.9 and nonregistered dental assistants. The board by rule may require continuing education
10.10 for differing levels of dental assistants, as a condition to their registration or authority to
10.11 perform their authorized duties. Any licensed dentist or licensed dental therapist who ~~shall~~
10.12 ~~permit such~~ permits an unlicensed assistant to perform any dental service other than that
10.13 authorized by the board shall be deemed to be enabling an unlicensed person to practice
10.14 dentistry, and commission of such an act by ~~such~~ an unlicensed assistant shall constitute a
10.15 violation of sections 150A.01 to 150A.12.

10.16 Sec. 20. Minnesota Statutes 2008, section 150A.10, subdivision 3, is amended to read:

10.17 Subd. 3. **Dental technicians.** Every licensed dentist or dental therapist who uses the
10.18 services of any unlicensed person, other than under the dentist's supervision and within
10.19 such dentist's own office, for the purpose of constructing, altering, repairing or duplicating
10.20 any denture, partial denture, crown, bridge, splint, orthodontic, prosthetic or other dental
10.21 appliance, shall be required to furnish such unlicensed person with a written work order
10.22 in ~~such a form as shall be~~ prescribed by the rules of the board; ~~said~~ The work order
10.23 shall be made in duplicate form, a duplicate copy ~~to~~ shall be retained in a permanent file
10.24 in the dentist's office for a period of two years, and the original ~~to~~ shall be retained in a
10.25 permanent file for a period of two years by ~~such~~ the unlicensed person in that person's
10.26 place of business. ~~Such~~ The permanent file of work orders required to be kept by ~~such~~
10.27 the dentist or by ~~such~~ the unlicensed person shall be open to inspection at any reasonable
10.28 time by the board or its duly constituted agent.

10.29 Sec. 21. [150A.105] DENTAL THERAPIST.

10.30 Subdivision 1. General. A dental therapist licensed under this chapter shall practice
10.31 under the supervision of a Minnesota-licensed dentist and under the requirements of
10.32 this chapter.

Subd. 2. **Limited practice settings.** A dental therapist licensed under this chapter is limited to primarily practicing in settings that serve low-income and underserved patients or in a dental health professional shortage area.

Subd. 3. **Collaborative management agreement.** (a) Prior to performing any of the services authorized under this chapter, a dental therapist must enter into a written collaborative management agreement with a Minnesota-licensed dentist. The agreement must include:

(1) practice settings where services may be provided and the populations to be served;

(2) any limitations on the services that may be provided by the dental therapist, including the level of supervision required by the collaborating dentist;

(3) age and procedure specific practice protocols, including case selection criteria, assessment guidelines, and imaging frequency;

(4) a procedure for creating and maintaining dental records for the patients that are treated by the dental therapist;

(5) a plan to manage medical emergencies in each practice setting where the dental therapist provides care;

(6) a quality assurance plan for monitoring care provided by the dental therapist, including patient care review, referral follow-up, and a quality assurance chart review;

(7) protocols for administering and dispensing medications authorized under subdivision 5, including the specific conditions and circumstance under which these medications are to be dispensed and administered;

(8) criteria relating to the provision of care to patients with specific medical conditions or complex medication histories, including requirements for consultation prior to the initiation of care;

(9) supervision criteria of registered and nonregistered dental assistants; and

(10) a plan for the provision of clinical resources and referrals in situations which are beyond the capabilities of the dental therapist.

(b) A collaborating dentist must be licensed and practicing in Minnesota. The collaborating dentist shall accept responsibility for all services authorized and performed by the dental therapist pursuant to the management agreement. Any licensed dentist who permits a dental therapist to perform a dental service other than those authorized under this section or by the board, or any dental therapist who performs an unauthorized service, shall be deemed to be in violation of the provisions in sections 150A.01 to 150A.12.

12.1 (c) Collaborative management agreements must be signed and maintained by the
12.2 collaborating dentist and the dental therapist. Agreements must be reviewed, updated, and
12.3 submitted to the board on an annual basis.

12.4 Subd. 4. **Scope of practice.** (a) A licensed dental therapist may perform dental
12.5 services as authorized under this section within the parameters of the collaborative
12.6 management agreement.

12.7 (b) The services authorized to be performed by a licensed dental therapist include
12.8 preventive, evaluative, and educational oral health services, as specified in paragraphs (c),
12.9 (d), and (e), and within the parameters of the collaborative management agreement.

12.10 (c) A licensed dental therapist may perform the following preventive, evaluative,
12.11 and assessment services under general supervision, unless restricted or prohibited in
12.12 the collaborative management agreement:

12.13 (1) oral health instruction and disease prevention education, including nutritional
12.14 counseling and dietary analysis;

12.15 (2) assessment services, including an evaluation and assessment to identify oral
12.16 disease and conditions;

12.17 (3) preliminary charting of the oral cavity;

12.18 (4) making radiographs;

12.19 (5) mechanical polishing;

12.20 (6) application of topical preventive or prophylactic agents, including fluoride
12.21 varnishes and pit and fissure sealants;

12.22 (7) pulp vitality testing; and

12.23 (8) application of desensitizing medication or resin.

12.24 (d) A licensed dental therapist may perform the following services under indirect
12.25 supervision:

12.26 (1) fabrication of athletic mouthguards;

12.27 (2) emergency palliative treatment of dental pain;

12.28 (3) space maintainer removal;

12.29 (4) restorative services:

12.30 (i) cavity preparation class I-IV;

12.31 (ii) restoration of primary and permanent teeth class I-IV;

12.32 (iii) placement of temporary crowns;

12.33 (iv) placement of temporary restorations;

12.34 (v) preparation and placement of preformed crowns; and

12.35 (vi) pulpotomies on primary teeth;

12.36 (5) indirect and direct pulp capping on primary and permanent teeth;

- 13.1 (6) fabrication of soft-occlusal guards;
- 13.2 (7) soft-tissue reline and conditioning;
- 13.3 (8) atraumatic restorative technique;
- 13.4 (9) surgical services;
- 13.5 (i) extractions of primary teeth;
- 13.6 (ii) suture removal; and
- 13.7 (iii) dressing change;
- 13.8 (10) tooth reimplantation and stabilization;
- 13.9 (11) administration of local anesthetic; and
- 13.10 (12) administration of nitrous oxide.

13.11 (e) A licensed dental therapist may perform the following services under direct
13.12 supervision:

- 13.13 (1) placement of space maintainers; and
- 13.14 (2) recementing of permanent crowns.

13.15 (f) For purposes of this section, "general supervision," "indirect supervision,"
13.16 and "direct supervision" have the meanings given in Minnesota Rules, part 3100.0100,
13.17 subpart 21.

13.18 Subd. 5. **Dispensing authority.** (a) A licensed dental therapist may dispense and
13.19 administer the following drugs within the parameters of the collaborative management
13.20 agreement and within the scope of practice of the dental therapist: analgesics,
13.21 anti-inflammatories, and antibiotics.

13.22 (b) The authority to dispense and administer shall extend only to the categories
13.23 of drugs identified in this subdivision, and may be further limited by the collaborative
13.24 management agreement.

13.25 (c) The authority to dispense includes the authority to dispense sample drugs within
13.26 the categories identified in this subdivision if dispensing is permitted by the collaborative
13.27 management agreement.
